# IMPACT

**\*Client follow-ups:** Includes calls, texts, and email conversations with Path clients, beyond their clinic visits.

**\*Community referrals:** Referrals given to clients for medical providers, organizations, programs, and other resources outside of Path's scope of service.

2022 was a year full of surprises, blessings, and growth for Path, leaving us in awe of God for His incredible provision! June 2022 was a pivotal time in our nation, which drastically altered the laws here in Idaho. Although we recognize this victory, our focus remained the same; helping those who are fearful and overwhelmed due to an unexpected or unplanned pregnancy, navigate the path ahead. We believe this is more important now than ever before.

Path's Art Auction helped provide funds needed to support our day-to-day services. We celebrate the tangible impact reflected in our stats above, and we are beyond grateful for our established donors and new supporters that came alongside Path in every way to help us reach our goals.

The addition of a fulltime staff member in July gave us the ability to reach the community in new and strategic ways. During the last half of the year Path participated in numerous resource fairs, networking meetings, church gatherings, and special events. We engaged with people through newsletter publications, giving campaigns, and numerous speaking engagements; including a podcast and a radio broadcast.

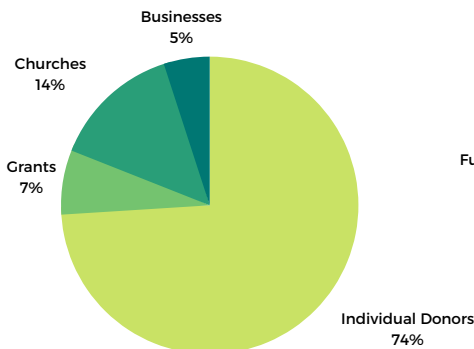

We are thankful for these opportunities but know that only God can truly change hearts and offer long-term hope. Only God. The same God who created life in the womb. The same God who offers us all the hope of everlasting life, and even abundant life here and now! God, working in the hearts and minds of people who are facing hard and complex choices. Thankfully, it is not up to us, but He can and does work through us.

We are eager to do the work that God has planned for Path in 2023, and ask for your prayers for our clients, staff, volunteers, and board. We are grateful for each and every one of you and the many ways you support this ministry!

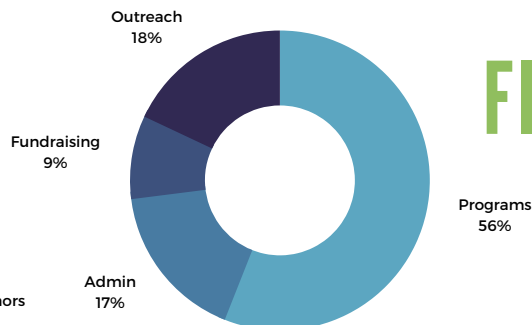

With thanks,  
The Whole Path Team
